13 October 2023

Dear Parents/Carers

In case you are thinking about holidays next year, a reminder of some dates:

Year 11 leavers dates

Year 11 pupils' last day is Friday 28 June 2024. Those pupils that have confirmed places at our Sixth Form will then be invited to transitions into the Swindon New College site and/or the site here.

Sixth Form leavers dates

Any young people at either of our Sixth Form sites that are leaving us to go to on college course, work or other destinations, will also be leaving us on Friday 28 June 2024.

If they are staying on with us for another year, then their last day is Thursday 25 July 2024.

Year 9 pupils' tutors

A reminder that quite often year 9 pupils change to a new tutor for year 10, as the curriculum changes to allow the pupils to have the same opportunities as mainstream pupils.

All tutor groups

Tutors are not guaranteed to be the same each year. We try to have some stability as they get to know your children well, however we always have movement in primary as more children in all year groups enter the school. In secondary and Sixth Form, this very much depends upon the needs of the school.

- **Term 1 ends Tuesday 17 October 2023.**
- **Term 2 starts back for pupils on Monday 30 October 2023 and ends on Thursday 21 December 2023.**

Please note Sixth Form pupils on the college site only: End of term 2 is Friday 15th December

- **ALL pupils - Term 3 starts back on Monday 8 January 2024.**

Any queries please contact the school.

Yours sincerely

Mrs Higham
Headteacher
