

## Gateway Health and Social Care

Intent	Implement	Impact
<p>We will produce young people who have a basic understanding of the Health and Social Care sector, have developed professional skills required for working in the roles, and have an interest in caring for other people.</p>	<p>By offering a variety of vocational units, we will teach a range of knowledge and skills; and offer opportunities including outdoor learning, planning activities for different clients, discussion, group work and independent assignment work.</p>	<p>Learners will achieve an Entry Level 3 Award.</p> <p>They will have opportunities for further studies in Health and Social Care or Childcare, and for employment in this sector.</p> <p>They will have developed communication and teamwork skills. They will have learnt about individual needs; diversity, equality and inclusion and planning activities for different clients.</p>
