

Asdan Personal Social Development

Intent	Implement	Impact
<p>We will produce young people who understand healthy living, can participate in local leisure activities and be safe in their home and local community.</p>	<p>By offering a variety of units, we will teach a range of knowledge and skills; and offer opportunities including outdoor learning, trips, discussion, group work and independent assignment work.</p>	<p>Learners will achieve an Entry Level 1 Award.</p> <p>They will have opportunities for accessing the local community safely.</p> <p>They will have developed communication and teamwork skills. They will have learnt about healthy lifestyles, leisure activities and personal safety.</p>
